

Enke Women's Golf Association (EWGA)  
Fred Enke Municipal Golf Course  
8251 E. Irvington Rd.  
Tucson, AZ 85730  
<https://fredenkewomensga.org/>

Thank you for having an interest in joining EWGA. Here are a few guidelines for our league:

1. We play each Wednesday at Fred Enke Municipal Golf Course. Starting tee times are in the morning and vary depending on time of year.
2. Our league year starts on the first Wednesday in November and ends on the last Wednesday in April. Outside of our designated league year, many of us play year-round each Wednesday on a 'casual' basis.
3. We have a short application for new members to fill-out prior to joining.
4. Our dues are \$50 for a full season, or \$30 for a 4-month season (typically used by winter residents) and a \$45 handicap fee assessed by Az. Golf Assn. There is an optional \$10 fee to join Southern District Women's Golf Assn. Dues are due by late September of each year, or upon joining for new members.
5. We have all levels of golfers in our group. We play ready golf and expect to finish each round in 4 – 4.5 hours. Fred Enke is a walkable golf course, and we have many players who walk the course.
6. Our tournament chair organizes fun golf games to be played each Wednesday. Points are given to the winner(s) of each game. At the end of the season, money is distributed to players based on points earned during the season and can be used at Fred Enke golf course to pay for greens fees, purchase merchandise and refreshments in the restaurant.
7. By Friday of each week, our tournament chair e-mails all members asking whether you will be playing on the following Wednesday. Responses are due back to the tournament chair by Sunday. The pairing for Wednesday's groups, along with tee times, are sent out by Monday.
8. You will need a GHIN number and maintain a handicap. If you do not have a GHIN number, one will be obtained for you upon joining.
9. During league play, at the end of each round, score cards are collected by the tournament chair and scores are entered into the GHIN system using Golf Genius software. Outside of league play, you are responsible for posting your own scores whenever and wherever you play to maintain an accurate handicap.
10. We ask each player to arrive at the golf course 30 minutes prior to your tee time.
11. Many of our golfers will gather in the restaurant at the course for lunch after our Wednesday rounds. It's a great opportunity to socialize and get to know other players.
12. EWGA plays in conformity with USGA rules of golf. However, there are a few 'local' rules, that have been adopted for the course. One that comes up frequently is that all areas off the 'maintained grass' are considered red stake penalty areas. This means that you may hit your ball from where it lies with no penalty. OR, you may place your ball within 2 club lengths, no closer to the hole, on the maintained grass, take a one-shot penalty and continue playing.
13. There are many desert areas surrounding the golf course and we observe the 3-minute time limit in searching for an errant ball.

CONTACT Pam Holloway-Dobson at: [pamhdobson@gmail.com](mailto:pamhdobson@gmail.com) or visit us on:  
<https://fredenkewomensga.org/> for more information.

Please join us and enjoy playing on our desert course!
